Step 8 Within a few days you will receive verification of your registration as well as a password to be able to log into your OA Masters account. At that point you can change your password and set up your preferred payment method for the \$70 monthly dues from February, 2011 forward. Your dues payment will be automatic on the first of each month using the method you have selected. No personal checks can be accepted for payment beyond December 2010.

Although payment will be automatic beginning in 2011, if you know that you will not be swimming in a particular month (s), you can contact Janet Brady at oamasters@gmail.com and she can manually remove you from the system until you are ready to return.
